

# Butterfly fly away – Miley Cyrus

You tucked me in, turned out the light  
Kept me safe and sound at night  
Little girls depend on things like that

You brushed my teeth and combed my hair  
Had to drive me everywhere  
You were always there when I looked back

You had to do it all alone  
Make a living, make a home  
Must have been as hard as it could be

And when I couldn't sleep at night  
Scared things wouldn't turn out right  
You would hold my hand and sing to me

Caterpillar in the tree  
How you wonder who you'll be  
Can't go far but you can always dream

Wish you may and wish you might  
Don't you worry, hold on tight  
I promise you that there will come a day  
Butterfly fly away

Butterfly fly away (butterfly fly away)  
Flap your wings now you can't stay  
Take those dreams and make them all come true

Butterfly fly away (butterfly fly away)  
You've been waiting for this day  
All along and you knowing just what to do  
Butterfly, butterfly, butterfly, butterfly fly away

Butterfly fly away  
Butterfly fly away
