

Flowers mash-up – Miley Cyrus

I didn't want leave you
I didn't wanna lie
Started to cry but then remembered I
I should've bought you flowers
I can buy myself flowers
And held your hand
Write my name in the sand
Give you all my hours
Talk to myself for hours
When I had the chance
Say things you don't understand
Take you to every party
I can take myself dancing
'Cause all you wanted to do was dance
And I can hold my own hand
Oh I can love me better
That she don't need a man
Can love me better,
I can love me better, baby
Can love me better,
I can love me better, baby
Same bed but it feels just a little
Bit bigger now
Our song on the radio
But it don't sound the same
When our friends talk about you
All it does is just tear me down
'Cause my heart breaks a little
When I hear your name
It all just sounds like ooh-oooh, ooh-oooh
I didn't wanna leave ya, I didn't wanna fight
Started to cry but then remembered I
That I should've bought you flowers
I can buy my self flowers
And held your hand
Write my name in the sand

Give you all my hours
Talk to myself for hours
When I had the chance
Say things you don't understand
Take you to every party
I can take myself dancing
'Cause all you wanted to do was dance
And I can hold my own hand
Oh I can love me better
That she don't need a man
Can love me better,
I can love me better, baby
Can love me better,
I can love me better, baby
Oh I should've bought you flowers
I can buy my self flowers
And held your hand
Write my name in the sand
Give you all my hours
Talk to myself for hours
When I had the chance
Say things you don't understand
Take you to every party
I can take myself dancing
'Cause all you wanted to do was dance
And I can hold my own hand
Oh I can love me better
