

# I miss you – Miley Cyrus

You used to call me your angel  
Said I was sent straight down from heaven  
You'd hold me close in your arms

I loved the way you felt so strong  
I never wanted you to leave  
I wanted you to stay here holding me

I miss you  
I miss your smile  
And I still shed a tear  
Every once in a while  
And even though it's different now  
You're still here somehow  
My heart won't let you go  
And I need you to know  
I miss you, sha la la la la  
I miss you

You used to call me your dreamer  
And now I'm living out my dream  
Oh how I wish you could see  
Everything that's happening for me  
I'm thinking back on the past

It's true that time is flying by too fast

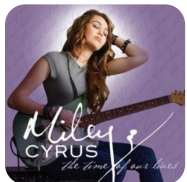

I miss you  
I miss your smile  
And I still shed a tear  
Every once in a while  
And even though it's different now  
You're still here somehow  
My heart won't let you go  
And I need you to know  
I miss you, sha la la la la

I miss you

I know you're in a better place, yeah  
But I wish that I could see your face, oh  
I know you're where you need to be  
Even though it's not here with me

I miss you  
I miss your smile  
And I still shed a tear  
Every once in a while  
And even though it's different now  
You're still here somehow  
My heart won't let you go  
And I need you to know  
I miss you, sha la la la la  
I miss you

I miss you  
I miss your smile  
And I still shed a tear  
Every once in a while  
And even though it's different now  
You're still here somehow  
My heart won't let you go  
And I need you to know  
I miss you, sha la la la la  
I miss you
