

Midnight Sky – Miley Cyrus

[Intro] La-la, la-la, la [Verse 1] Yeah, it's been a long
Night and the mirror's telling me to go home (Go home)
But it's been a long time since I felt this good on my own
(Uh) Lotta years went by with my hands tied up in your
Ropes (Your ropes) Forever and ever, no more (No more)
[Pre-Chorus] The midnight sky is the road I'm takin' Head
High up in the clouds (Oh, oh) [Chorus] I was born to run
, I don't belong to anyone, oh no Don't need to be loved
By you (By you) Fire in my lungs, can't bite the Devil on
my tongue, oh no Don't need to be loved by you See my
Lips on her mouth, everybody's talkin' now, baby Ooh,
you know it's true (Yeah, yeah) That I was born to run,
I don't belong to anyone, oh no Don't need to be loved
by you
(Loved by you) [Break] La-la, la-la, la [Verse 2]
She got her hair pulled back 'cause the sweat's drippin'
off of her face (Her face) Said, "It ain't so bad if
I wanna make a couple mistakes" You should know right now
that I never stayed put in one place Forever and ever,
No more (No more) [Pre-Chorus]
The midnight sky is the road I'm takin'
Head high up in the clouds (Oh, oh) [Chorus]

'round my waist, thought you never be replaced,
