

# Stay – Miley Cyrus

Well it's good to hear your voice  
I hope your doing fine  
And if you ever wonder I'm lonely here tonight  
Lost here in this moment and time keeps slipping by  
And if I could have just one wish  
I'd have you by my side

Oooh oh I miss you  
Oooh oh I need you

And I love you more than I did before  
And if today I don't see your face  
Nothing's changed no one can take your place  
It gets harder everyday

Say you love me more than you did before  
And I'm sorry it's this way  
But I'm coming home I'll be coming home  
And if you ask me I will stay, I will stay

Well I try to live without you  
The tears fall from my eyes  
I'm alone and I feel empty  
God I'm torn apart inside

I look up at the stars  
Hoping your doing the same  
Somehow I feel closer and I can hear you say

Oooh oh I miss you  
Oooh oh I need you

And I love you more than I did before  
And if today I don't see your face  
Nothing's changed no one can take your place  
It gets harder everyday

Say you love me more than you did before  
And I'm sorry that it's this way  
But I'm coming home I'll be coming home  
And if you ask me I will stay, I will stay  
Always Stay!

I never wanna lose you  
And if I had to I would chose you  
So stay, please always stay  
You're the one that I hold onto  
Cause my heart would stop without you

And I love you more than I did before  
And if today I don't see your face  
Nothing's changed no one can take your place  
It gets harder everyday

Say you love me more than you did before  
And I'm sorry that it's this way  
But I'm coming home I'll be coming home  
And if you ask me I will stay, I will stay  
I'll always stay

And love you more than I did before  
And I'm sorry that it's this way  
But I'm coming home I'll be coming home  
And if you ask me I will stay, I will stay  
I will stay
