

# Don't Say a Word – Miracle of Sound

Fire on the ocean  
Reprisal in motion  
From the quiet awake

The sins of the father  
Are hitting me harder  
Every strike I take

Oh!  
Oh!  
The silence is deafening  
Oh!  
Oh!  
Don't say a word

The venom inside us  
Strives to deny us  
Just a moment's peace

From ocean to land we  
Are learning to stand on  
Our own two feet

Not to be heard  
Don't say a word  
Restrain  
Cut out the phrase  
Only a haze  
Remains

Oh!  
Oh!  
The silence is deafening  
Oh!  
Oh!  
Don't say a word

These syllables slither  
Like snakes in the sand  
These words they will wither  
The world in your hands

You are the voice in the song yeah  
It's yours when you sing along

Oh!  
Oh!  
The silence is deafening  
Oh!  
Oh!  
Don't say a word

You are the voice in the song, yeah  
It's yours when you sing along
