

Leave it all to me - iCarly – Miranda Cosgrove

I know, you see
Somehow the world will change for me
And be so wonderful
Live life, breathe air
I know somehow we're gonna get there
And feel so wonderful
I will make you change your mind
These things happen all the time
And it's all real
I'm telling you just how I feel
So wake up the members of my nation
It's your time to be
There's no chance unless you take one
And the time to see
The brighter side of every situation
Somethings are meant to be
So give me your best and leave the rest to me
I know it's time
To raise the hand that draws the line
And be so wonderful
Golden sunshine
I know somehow it's gonna be mine
And feel so wonderful
Show me what you can become
There's a dream in everyone
And it's all real
I'm telling you just how I feel
So wake up the members of my nation
It's your time to be
There's no chance unless you take one
And the time to see
The brighter side of every situation
Somethings are meant to be
So give me your best and leave the rest to me
Leave it all to me (Leave it all to me)
So make it mine and see it through

You know you won't be free until you
Wake up the members of my nation
It's your time to be
There's no chance unless you take one
And the time to see
The brighter side of every situation
Somethings are meant to be
So give me your best and leave the rest to me
Leave it all to me (Leave it all to me)
Leave it all to me
Just leave it all to me
