

# Washing Machine Heart – Mitski

Toss your dirty shoes  
In my washing machine heart  
Baby, bang it up inside  
I'm not wearing my usual lipstick  
I thought maybe we would kiss tonight  
Baby, will you kiss me already?  
And toss your dirty shoes  
In my washing machine heart  
Baby, bang it up inside  
Baby, though I've closed my eyes  
I know who you pretend I am  
I know who you pretend I am  
But do-mi-ti  
Why not me? Why not me?  
Do-mi-ti  
Why not me? Why not me?  
Do-mi-ti  
Why not me? Why not me?
