

# Don't Play With My Heart – Modern Talking

Don't play  
Don't play with my heart  
Don't play (Chorus: Playing tricks with my heart)  
Don't play with my heart  
You can stop my heart  
Love is here and now you're gone  
Oh please, don't tear apart  
Baby I am so alone  
We're looking on the same stars  
And on the same moon  
What have I done to you, lady  
Oh wherever you are  
Baby, please come back soon  
Can't you see I am waiting for you  
Oh don't play with my heart  
Don't do that again  
If you're breaking apart  
I cannot be your friend  
Don't play with my heart  
Again and again  
If you're tearing apart  
How this love will end  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Oh you'll know it's true  
I gave you every single day  
Now it's up to you  
Baby, please don't go away  
Oh we'll find paradise  
And we'll lose it all  
What have I done to you, lady  
Don't tell me no lies  
Gimme a call  
Can't you see I'm waiting for you

Oh don't play with my heart  
Don't do that again  
If you're breaking apart  
I cannot be your friend  
Don't play with my heart  
Again and again  
If you're tearing apart  
How this love will end  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Oh my baby, please don't go  
Oh my baby, time will show  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)  
Don't play (Chorus: Playing tricks with my heart)
