

Lucky Guy – Modern talking

I feel your heart-tune
I feel the sound move
I hear the last tune
Over and over again
Without end
I feel the flowers
I feel the showers
I hear the last words
Over and over again
Without end

Ooooo, oo, oooo,oo
I'll be lucky guy
I'll be lucky guy
Tomorrow when all things are shaping
Tomorrow then I'll be with you
Tomorrow when your heart is aching
I keep on loving you

I feel the magic
There's be no tragic
I hear your laughing
Over and over again
Without end
I see you walking
I hear you talking
I feel the loving
Over and over again
Without end

Ooooo, oo, oooo,oo
I'll be lucky guy
I'll be lucky guy
Tomorrow when all things are shaping
Tomorrow then I'll be with you

Tomorrow when your heart is aching
I keep on loving you
