

# With A Little Love – Modern Talking

They said: "oh, yeah, it's a tough world

You are restless and you are young"

I said: "oh, girl, it's a good twirl

And your time will come

Your time will come"

They said: "you came from the wrong side

He's a page from the end of the book"

I said: "you came from the right side"

Took me just one look

Then you understood

With a little love you will survive

With a little love you will get by

Do what you want go your own way

'cause it's your life

With a little love you make the start

Yeah, why lovers break each other's heart?

Do what you want go your own way

'cause it's your life

They said: "no future forget it

You came from the wrong side of town"

I said: "don't listen, don't let it

Let it bring you down

Make you wear a frown"

They said: "oh, let him down easy

Left at the hearts you have won"

I said: "that love is for livin'

Like the morning sun

It had just begun"

With a little love you will survive

With a little love you will get by

Do what you want go your own way

'cause it's your life

With a little love you make the start  
Yeah, why lovers break each other's heart?  
Do what you want go your own way  
'cause it's your life

With a little love you will survive  
With a little love you will get by  
Do what you want go your own way  
'cause it's your life
