

# Safe – Moira

AND

Under Your grace, Your mercy amazes me  
Under Your wings, Your shadow covers me  
Your promise of love, where my heart is  
Safely undone

II

Speak to me Lord, Your servant is listening  
Over the noise, I hear You whispering  
My hope has come, and my heart is safely  
Undone

Chorus:

I found my fortress in You  
And my soul is anchored with You  
My resting place is in Your name  
Forever safe

Speak to me Lord, Your servant is listening  
Over the noise, I hear You whispering  
My hope has come, and my heart is safely  
Undone

Chorus:

I found my fortress in You  
And my soul is anchored with You  
My resting place is in Your name  
I found my fortress in You

And my soul is anchored with You  
My resting place is in Your name  
Forever safe  
Forever safe

Forever safe  
Forever safe

Coda:

You are never far away  
Always reaching out to save  
My weakness covered by Your strength  
And I am found forever safe  
You are never far away

Always reaching out to save  
My weakness covered by Your strength  
And I am found forever safe  
For You are never far away  
Always reaching out to save  
My weakness covered by Your strength  
And I am found forever safe  
I found my fortress in You  
And my soul is anchored with You  
My resting place is in Your name  
I found my fortress, in You  
And my soul is anchored, with You  
My resting place (is in Your name)  
For You are never far away  
Always reaching out to save  
My weakness covered by Your strength  
And I am found forever safe  
You are never far away  
Always reaching out to save  
My weakness covered by Your strength  
And I am found forever safe
