

Safe – Moira

Under Your grace, Your mercy amazes me
Under Your wings, Your shadow covers me
Your promise of love, where my heart is
Safely undone
Speak to me Lord, Your servant is listening
Over the noise, I hear You whispering
My hope has come and my heart is safely
Undone

Chorus:

I found my fortress, in You
And my soul is anchored, with You
My resting place, is in Your name
Forever safe

III

Speak to me Lord, Your servant is listening
Over the noise, I hear You whispering
My hope has come and my heart is
Safely undone

Chorus:

I found my fortress, in You
And my soul is anchored, with You
My resting place, is in Your name

I found my fortress, in You
And my soul is anchored, with You
My resting place, is in Your name
Forever safe, forever safe
Forever safe forever safe

Bridge:

You are never far away
Always reaching out to save
My weakness covered by Your strength
And I am found forever safe
You are never far away
Always reaching out to save
My weakness covered by Your strength
And I am found forever safe

For You are never far away
Always reaching out to save
My weakness covered by Your strength
And I am found forever safe

Chorus:

I found my fortress, in You
And my soul is anchored, with You
My resting place is in Your name
I found my fortress, in You
And my soul is anchored, with You
My resting place (is in Your name)

For You are never far away
Always reaching out to save
My weakness covered by Your strength
And I am found forever safe
For You are never far away
Always reaching out to save
My weakness covered by Your strength
And I am found forever safe
