

# I'll Be Fine – Molly Pettersson Hammar

Will you remember me  
For the good times  
Acting bad times with you  
Will you remember me  
Once the smoke clears  
And all your worst fears come true  
Look at us now  
What have we done  
Got so fired up we turned into dust  
Look at us now  
Rivers will run  
And Im on the waterline  
I'll be fine when the flood is over  
I'll be fine in the morning light  
I'll be fine just a little colder  
In the middle of the night  
In the middle of the night  
Just wanted to love you  
You let go go go  
Just wanted to love you  
You let go go go  
Just wanted to love you  
You let go go go  
In the middle of the night  
In the middle of the night yeah  
Oho  
I still remember us  
Sharing secrets finders keepers  
Its true  
Look at us now  
What have we done  
Got so fired up we turned into dust  
Look at us now  
Rivers will run  
And Im on the waterline  
I'll be fine when the flood is over

I'll be fine in the morning light  
I'll be fine just a little colder  
In the middle of the night  
In the middle of the night  
Just wanted to love you  
You let go go go  
Just wanted to love you  
You let go go go  
Just wanted to love you  
You let go go go  
In the middle of the night  
In the middle of the night yeah  
I'll be fine when the flood is over  
I'll be fine when the flood is over  
I'll be fine in the morning light  
I'll be fine just a little colder  
In the middle of the night  
In the middle of the night  
Just wanted to love you  
You let go go go  
Just wanted to love you  
You let go go go  
Just wanted to love you  
You let go go go  
In the middle of the night  
In the middle of the night yeah
