

Be here – Monika Kazyaka

Sometimes I drive so fast, just to feel the danger
But right now i feel like a piece of me is gone
Without you i can't breathe, i can't do anything at all
Without you i feel lonely
But if you are somewhere just help me
Just help me Just help me Just wait

Stay with me, don't go away without me
My love, my friend

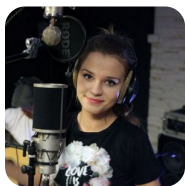

Stay with me, don't go away without me
My love, my friend

When you're gone the pieces of my heart is missing
But i know that's right
Everything with time is passing
The world is full of hate
But i know i must be strong, that's right

Stay with me, don't go away without me
My love, my friend

Stay with me, don't go away without me
My love, my friend

Don't leave me, don't leave me, don't leave me,
Don't leave me, don't leave me my love, my friend
