

It can't be over – Monster High

Look at you, and look at me,
You deserve everything, you're royalty
I'm just an average guy,
Oh yes, it's true (true)
I know just what to do when
It comes down to me and you
I hate to have this happen,
The way it has to happen
What I thought was perfect
Matching was a perfect mismatch
And I think I owe it to you
(to you), to set you free (free)
'Cause you will be better,
Better off without me
We gotta get real and leave this alone
We don't go together,
We are so wrong for each other
Just have to do it royal ghoul,
And I'm an average joke, oh-oh
We gotta understand that we have to break up
Sorry it's over, sorry it's over,
Sorry it's over, sorry it's over
You and I we're so wrong,
We're not perfect after all
Everybody knows, everybody knows
That this is the end
Overtime, I held you back
You're just too good for me,
And I know that's a fact
This relationship has turned to stone
I should get going,
Now I'm better off leaving you alone
Don't back away from me, this isn't like you
What's gotten into you?
Tell me, who said what to you
To make you do this? Think for a minute

I don't care what others
Have to say about us, and neither should you
Gotta get real (no),
And leave this alone (don't leave me alone)
We don't go together,
We're so wrong for each other
You're a royal ghoul,
And I'm an average joke (no)
Gotta understand that we have to break up
Sorry it's over
This can't be over
Sorry its over
This can't be over, honey
You and I we're so wrong,
We're not perfect after all
Everybody knows, everybody knows
That this is the end
This hurts inside of me
Why do you think this is the way it has to be
Look at the picture
We're not breaking up, you're perfect for me
You see
Oh, oh, oh, whoa, whoa, whoa
You and I were meant to be as one
I'm really sorry, but we're done
Sorry it's over, sorry it's over,
Sorry it's over
This can't be over, honey
You and I we're so wrong,
We're not perfect after all
Everybody knows, everybody
Knows that this is the end
This is the end
This is the end
This is the end
This is the end
