Elephant Love Medley - Moulin Rouge

Love is a many splendid things Love lifts us up where we belong All you need is love! Please, don't start that again All you need is love A girl has got to eat All you need is love Or she'll end up on the streets All you need is love Love is just a game I was made for loving you baby, You were made for loving me The only way of loving me baby, Is to pay a lovely fee Just one night, give me just one night There's no way, 'cause you can't pay In the name of love, One night in the name of love You crazy fool, I won't give in to you Don't Leave me this way I can't survive without your sweet love, Oh baby Don't leave me this way You'd think that people would have had enough Of silly love songs I look around me and I see, it isn't so, Oh no Some people want to fill the world With silly love songs Well what's wrong with that? I'd like to know 'Cause here I go again! Love lifts us up where we belong

Where eagles fly, on a mountain high

Throw our lives away, for one happy day We could be heroes! Just for one day You, you will be mean No I won't! And I, I'll drink all the time We should be lovers We can't do that We should be lovers, and that's a fact Though nothing, will keep us together We could steal time Just for one day We could be heroes, forever and ever We could be heroes, forever and ever We could be heroes Just because I will always love you Can't help loving you How wonderful life is Now you're in the world

Love makes us act like we are fools
