

## Resistance – Muse

Is our secret safe tonight?  
And are we out of sight?  
Or will our world come tumbling down?  
Will they find our hiding place?  
Is this our last embrace?  
Or will the walls start caving in?  
It could be wrong, could be wrong,  
But it should have been right  
It could be wrong, could be wrong,  
To let our hearts ignite  
It could be wrong, could be wrong,  
Are we digging a hole?  
It could be wrong, could be wrong,  
This is out of control  
It could be wrong, could be wrong,  
It can never last  
It could be wrong, could be wrong,  
Must erase it fast  
It could be wrong, could be wrong,  
But it could have been right  
It could be wrong, could be  
Love is our resistance  
They'll keep us apart, and they won't  
Stop breaking us down  
Hold me  
Our lips must always be sealed  
If we live a life in fear  
I'll wait a thousand years  
Just to see you smile again  
Kill your prayers for love and peace  
You'll wake the thought police  
We can't hide the truth inside  
It could be wrong, could be wrong,  
But it should have been right  
It could be wrong, could be wrong,  
to let our hearts ignite

It could be wrong, could be wrong,  
Are we digging a hole?  
It could be wrong, could be wrong,  
this is out of control  
It could be wrong, could be wrong,  
it can never last  
It could be wrong, could be wrong,  
must erase it fast  
It could be wrong, could be wrong,  
But it could have been right  
It could be wrong, could be  
Love is our resistance  
They'll keep us apart, and they won't stop  
Breaking us down  
Hold me  
Our lips must always be sealed  
The night has reached its end  
We can't pretend  
We must run  
We must run  
It's time to run  
Take us away from here  
Protect us from further harm  
Resistance
