

# Believer – MYRATH

Burning fire  
In your eye  
Melt away overnight  
Carve your life  
Sharpened knife  
Like a thrill  
In a fight  
It's the moment to blow our minds  
Faith is blind  
What doesn't kill you makes you stronger  
Your victory will live forever  
Keep fighting for the riot inside  
Believe and carry on  
Jump on the bandwagon  
History goes on  
Believe and carry on  
Bird of night  
Broken chains  
There's no time to deny  
Past is gone  
The future's bright  
Throw away  
Yesterday  
Create your brand new name  
There's no shame  
So light the flame  
You know you're gonna win or you'll learn  
Your victory will live forever  
Keep fighting for the riot inside  
Believe and carry on  
Jump on the bandwagon  
History goes on  
Believe and carry on  
-  
What doesn't kill you makes you stronger  
Your victory will live forever

Keep fighting for the riot inside  
Believe and carry on  
(you'll win or you'll learn)  
Jump on the bandwagon  
(the candle will be burnt)  
History goes on  
(you'll win or you'll learn)  
Believe and carry on
