

# Golden Boy – Nadav Guedj

Mama, someone broke my heart again  
Tell her I don't think I can take it anymore  
Whoa, mama, someone broke my heart again  
Now I'm gonna ease my pain  
Dancing on the floor  
Take me out  
I'm not in the mood for broken hearts  
Gonna dance tonight  
Forget her  
No, she doesn't know what I'm doing on the floor  
Did you say hello, my ladies?  
Pull me, baby, I'm your trigger  
You know that my love is bigger  
Love, love, love, love  
(Love, love, love)  
Let the rhythm take us higher  
You know when I'm on fire  
Check me out  
Three, two, one, hey!  
I'm a golden boy  
Come here to enjoy  
I'm the king of fun  
Let me show you how we do it  
I'm a golden boy  
Come here to enjoy  
And before I leave  
Let me show you Tel Aviv  
Hold me tight  
We're not going home tonight  
(Oh yeah)  
Do you like my dancing?  
Pull me, baby, I'm your trigger  
You know that my love is bigger  
Check me out  
Three, two, one, hey!  
I'm a golden boy

Come here to enjoy  
I'm the king of fun  
Let me show you how we do it  
I'm a golden boy  
Come here to enjoy  
And before I leave  
Let me show you Tel Aviv  
This is how we do it  
This is how we do it  
Mama, someone broke my heart again  
Now I'm gonna ease my pain  
Dancing on the floor  
I'm a golden boy  
Come here to enjoy  
I'm the king of fun  
Let me show you how we do it  
I'm a golden boy  
Come here to enjoy  
And before I leave  
Let me show you Tel Aviv  
Now dance, dance, dance, dance  
Ok, we gotta go  
Three minutes  
Bye bye
