Summer Wine – Nancy Sinatra & Lee Hazlewood

Strawberries, cherries And an angel's kiss in spring My summer wine Is really made from all these things I walked in town on silver Spurs that jingled to A song that I had only Sang to just a few She saw my silver spurs and said Let's pass some time And I will give to you summer wine Oh, oh, oh, summer wine Strawberries, cherries And an angel's kiss in spring My summer wine Is really made from all these things Take off your silver spurs and Help me pass the time And I will give to you summer wine Oh, oh, summer wine My eyes grew heavy And my lips they could not speak I tried to get up But I couldn't find my feet She reassured me with The unfamiliar line And then she gave to me More summer wine Woh, woh, summer wine Strawberries, cherries And an angel's kiss in spring My summer wine Is really made from all these things Take off your silver spurs and

Help me pass the time

And I will give to you summer wine Mmm, summer wine When I woke up,
The sun was shining in my eyes My silver spurs were gone,
My head felt twice its size
She took my silver spurs,
A dollar and a dime
And left me craving for
More summer wine
Oh, oh, summer wine
