

Nature Boy – Nat King Cole

There was a boy
Very strange enchanted boy
They say he wandered very far
Very far, over land and sea
A little shy and sad of eye
Very wise, very wise was he
And then one day
A magic day he passed my way
And while we spoke of many things
Fools and kings, this he said to me
"Greatest thing you could ever learn
Is just to love and be loved in return
To be loved in return"
And then one day
One magic day he passed my way
As we spoke of many things
Fools and kings, this he said to me
"Greatest thing you could ever learn
Is just to love and be loved in return
To be loved in return"
To be loved in return
