

# Dreamed a dream – Natalie Bergman

I dreamed a dream in time gone by  
When hope was high  
And life worth living  
I dreamed that love would never die  
I dreamed that God would be forgiving  
Then I was young and unafraid  
And dreams were made and used and wasted  
But the tigers come at night  
With their voices soft as thunder  
As they tear your hope apart  
As they turn your dream to shame  
And still I dream he'll come to me  
That we will live the years together  
But there are dreams that cannot be  
And there are storms we cannot weather  
I had a dream my life would be  
So different from this hell I'm living  
So different now from what it seemed  
Now life has killed  
The dream I dreamed
