## Torn - Natalie Imbruglia

I thought I saw a man brought to life He was warm, he came around like he was dignified He showed me what it was to cry Well, you couldn't be that man I adored You don't seem to know, seem to care, what your heart is for But I don't know him anymore There's nothing where he used to lie My conversation has run dry That's what's goin' on Nothing's fine I'm torn I'm all out of faith This is how I feel I'm cold and I am shamed Lying naked on the floor Illusion never changed Into something real I'm wide awake and I can see the perfect sky is torn You're a little late I'm already torn So I guess the fortune teller's right I should have seen just what was there and not some holy light To crawl beneath my veins and now I don't care, I have no luck I don't miss it all that much There's just so many things That I can't touch I'm torn I'm all out of faith This is how I feel I'm cold and I am shamed Lying naked on the floor Illusion never changed

I'm wide awake and I can see the perfect sky is torn You're a little late I'm already torn Torn There's nothing where he used to lie My insparation has run dry That's what's goin' on Nothing's right I'm torn I'm all out of faith This is how I feel I'm cold and I'm ashamed Lying naked on the floor Illusion never changed Into something real I'm wide awake and I can see the perfect sky is torn I'm all out of faith This is how I feel I'm cold and I'm ashamed Bound and broken on the floor You're a little late I'm already torn

Into something real
