

# Soulmate – Natasha Bedingfield

Incompatible

It don't matter though

'Cause someone's bound to hear my cry

Speak out if you do

You're not easy to find

Is it possible

Mr Loveable

Is already in my life?

Right in front of me

Or maybe you're in disguise?

Who doesn't long for someone to hold?

Who knows how to love you without being told?

Somebody tell me why I'm on my own

If there's a soulmate for everyone

Here we are again

Circles never end

How do I find the perfect fit

There's enough for everyone,

But I'm still waiting in line

Who doesn't long for someone to hold?

Who knows how to love you without being told?

Somebody tell me why I'm on my own

If there's a soulmate for everyone

If there's a soulmate for everyone

Most relationships seem so transitory

They're all good but not the permanent one

Who doesn't long for someone to hold?

Who knows how to love you without being told?

Oh, somebody tell me why I'm on my own

If there's a soulmate for everyone

Who doesn't long for someone to hold?

Who knows how to love you without being told?

Somebody tell me why I'm on my own

If there's a soulmate for everyone

If there's a soulmate for everyone
