

# Running On Air – Nathan Trent

It's been a long time running  
'Cause I had some things to see  
I had to meet some people  
Who were there to believe in me  
I'm taking all that struggle  
Reminds me what I'm fighting for  
I'm living it up, I ain't gonna stop  
Till I make that final score  
And I'll keep running as fast as I can  
I'll keep running  
I won't stop, I won't stop, no no  
Hey now, if you push me down I'll get up again  
Hey now, if you let me drown I'll swim like a champion  
I'm sure there'll be good times, there'll be bad time  
But I don't care 'cause I'm running on air  
(Running, running) Yeah  
Give me a million reasons  
But my answer stays the same  
You can try to put me in a box  
But I'm doing it my own damn way  
See I can stand them talkers  
All pretending that their lives' a mess  
'Cause whatever you want, whatever you need  
You gotta get off your...  
And I'll keep running as fast as I can  
I'll keep running  
I won't stop, I won't stop  
Hey now, if you push me down I'll get up again  
Hey now, if you let me drown I'll swim like a champion  
I'm sure there'll be good times, there'll be bad time  
But I don't care 'cause I'm running on air  
Hey, I'm running on air  
Running, running on air  
(Oh whoa... oh whoa...) Running, running  
Now I don't care  
Hey now, if you push me down I'll get up again

Hey now, hey now  
Yeah... (Oh whoa... oh whoa...)  
You can push me, push me down  
(Oh whoa... oh whoa...) Hey now  
But I'll get up again  
I'm sure there'll be good times, there'll be bad time  
But I don't care 'cause I'm running on air
