Some Say - Nea

I will find the time
We will find the timing
Cus you are on my mind
I hope that you don't mind it

You know that I want you
You know that I want you next to me
But if you need some space
I will step away

And I know it might sound stupid but for me, Yea yea I just gotta keep believing and I've heard

Some say you will love me one day
And I will wait I will wait to get your loving one day day
Just say you will love me one day
And I will wait, I will wait to get your loving one day

I promise that I'll try, that I will try to meet someone And there's so many guys, you told me I deserve someone I wanna call you up but maybe it will only make it worse I guess that I just don't know what to do with myself

'Cause I know it might sound stupid but for me, Yea yea I just gotta keep believing and I've heard

Some say you will love me one day
And I will wait, I will wait to get your loving one day
Just say you will love me one day
And I will wait, I will wait to get your loving one day

U-u-u, uuu U-u-u, u-u Just say you'll love me one day U-u-u, uuu U-u-u, u-u Just say you'll love me one day

I'll give you space to the moon, if it's what you need Just say you one day will bring back yourself to me

Some say you will love me one day
And I will wait, I will wait to get your loving one day
Just say you will love me one day
And I will wait, I will wait to get your loving one day

U-u-u, uuu
U-u-u, u-u
Just say you'll love me one day
U-u-u, uuu
U-u-u, u-u
Just say you'll love me one day
