

# Promiscious – Nelly Furtado ft. Timbaland

How you doin' young lady?  
That feelin' that you givin'  
Really drives me crazy  
You dope, have a player 'bout to choke  
I was at a loss of words  
First time that we spoke  
If you looking for a girl  
That'll treat you right  
If you lookin' for her  
In the day time with the light  
You might be the type  
If I play my cards right  
I'll find out by the end of the night  
You expect me to just let you hit it  
But will you still respect me if you get it?  
All I can do is try, gimme one chance  
What's the problem?  
I don't see no ring on your hand  
I be the first to admit it  
I'm curious about you, you seem so innocent  
You wanna get in my world, get lost in it  
Boy I'm tired of running  
Let's walk for a minute  
Promiscuous girl  
Wherever you are  
I'm all alone  
And it's you that I want  
Promiscuous boy  
You already know  
That I'm all yours  
What you waiting for?  
Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need  
Promiscuous boy

Let's get to the point  
Cause we on a roll  
You ready?  
Roses are red, some diamonds are blue  
Chivalry is dead but you're still kinda cute  
Hey! I can't keep my mind off you  
Where you at? Do you mind if I come through?  
I'm out of this world  
Come with me to my planet  
Get you on my level  
Do you think that you can handle it?  
They call me Thomas, last name Crown  
Recognize game, I'ma lay mine's down  
I'm a big girl I can handle myself  
But if I get lonely I'ma need your help  
Pay attention to me  
I don't talk for my health  
I want you on my team  
So does everybody else  
Shhh, Baby, we can keep it on the low  
Let your guard down, ain't nobody gotta know  
If you with it girl I know a place we can go  
What kind of girl do you take me for?  
Promiscuous girl  
Wherever you are  
I'm all alone  
And it's you that I want  
Promiscuous boy  
You already know  
That I'm all yours  
What you waiting for?  
Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need  
Promiscuous boy  
Let's get to the point  
Cause we on a roll  
You ready?  
Don't be mad, don't get mean

Don't get mad, don't be mean  
Hey! Don't be mad, don't get mean  
Don't get mad, don't be mean  
Wait! I don't mean no harm  
I can see you with my t-shirt on  
I can see you with nothing on  
Feeling on me before you bring that on  
Bring that on?  
You know what I mean  
Girl, I'ma freak  
You shouldn't say those things  
I'm only trying to get inside of your brain  
To see if you can work me the way you say  
It's okay, it's alright  
I got something that you gon' like  
Hey, is that the truth  
Or are you talking trash?  
Is your game MVP like Steve Nash?  
Promiscuous girl  
Wherever you are  
I'm all alone  
And it's you that I want  
Promiscuous boy  
I'm calling your name  
But you're driving me crazy  
The way you're making me wait  
Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need  
Promiscuous boy  
We're one in the same  
So we don't gotta play games no more
