

# Say It Right – Nelly Furtado

In the day, in the night  
Say it right, say it all  
You either got it or you don't  
You either stand or you fall

When your will is broken  
When it slips from your hand  
When there's no time for joking  
There's a hole in the plan

Oh, you don't mean nothing at all to me  
No, you don't mean nothing at all to me  
But you got what it takes to set me free  
Oh, you could mean everything to me

I can't say (say) that I'm not (not) at a loss (loss) and at fault (fault)  
I can't say (say) that I don't (don't) love the light (light) and the dark  
I can't say that I don't (don't) know that I am alive and I love what I feel (feel)  
I could show (show you) you tonight, you tonight

Oh, you don't mean nothing at all to me  
No, you don't mean nothing at all to me  
But you got what it takes to set me free  
Oh, you could mean everything to me

From my hands I could give you something that I made  
From my mouth I could sing you another brick that I laid  
From my body (from my body) I could show you (I could show you) a place (a place) God knows (that only God knows)  
You should know, this space is holy (oh oh oh oh)  
Do you really wanna go? (two, three, four)
