

# The Code – Nemo

Whoa-oh-oh

Welcome to the show,

Let everybody know

I'm done playing the game,

I'll break out of the chains

You better buckle up,

I'll pour another cup

This is my bohème,

So drink it up, my friend

Oh,

Oh,

This story is my truth

I,

I went to Hell and back

To find myself on track

I broke the code,

Whoa-oh-oh

Like ammonites

I just gave it some time

Now I found paradise

I broke the code,

Whoa-oh-oh

Yeah

Let me tell you a tale about life

'Bout the good and the bad,

Better hold on tight

Who decides what's wrong,

What's right?

Everything is balance,

Everything's light

I got so much on my mind,

And I been awake all night

I'm so pumped,

I'm so psyched

It's bigger than me,

I'm getting so hyped, like

Let me taste the lows and highs  
Let me feel that burning fright  
This story is my truth  
I,  
I went to Hell and back  
To find myself on track  
I broke the code,  
Whoa-oh-oh  
Like ammonites  
I just gave it some time  
Now I found paradise  
I broke the code,  
Whoa-oh-oh  
Somewhere between the O's and ones  
That's where I found my kingdom come  
My heart beats like a  
Somewhere between the O's and ones  
That's where I found my kingdom come  
My heart beats like a drum  
Oh,  
Oh  
Oh,  
Oh  
I,  
I went to Hell and back  
To find myself on track  
I broke the code,  
Whoa-oh-oh  
Like ammonites  
I just gave it some time  
Now I found paradise  
I broke the code,  
Whoa-oh-oh,  
Whoa-oh-oh
