

Darkside – Neoni

Do you want to meet all my monsters?
Think you're tough I know they'll drive you
Bonkers
Meet them once and they'll forever haunt you
There's no heroes or villains in this place
Just shadows that dance in my headspace
Leaving nothing but phantoms in their wake
There's parts of me I cannot hide
I've tried and tried a million times
Cross my heart and hope to die
Welcome to my darkside
To my d-d-darkside
To my d-d-darkside
To my d-d-darkside
To my d-d-darkside
Take a step into the havoc
Look around this ain't even the half of it
I'm walking the line between panic and
Losing my mind
Embracing the madness
My devils they whisper in my ear
Deafening me with all my fears
I'm living in a nightmare
There's parts of me I cannot hide
I've tried and tried a million times
Cross my heart and hope to die
Welcome to my darkside
To my d-d-darkside
To my d-d-darkside
To my d-d-darkside
To my d-d-darkside
Darkside
Cross my heart and hope to die
Welcome to my darkside
To my d-d-darkside
To my darkside

To my darkside
To my darkside
