

Nice To Meet Ya – Niall Horan

I like the way you talk,
I like the things you wear
I want your number tattooed on my arm in ink,
I swear
'Cause when the morning comes,
I know you won't be there
Every time I turn around, you disappear
I wanna blow your mind, just come with me,
I swear
I'm gonna take you somewhere warm,
You know j'adore la mer
'Cause when the morning comes,
I know you won't be there
Every time I turn around, you disappear
Nice to meet ya
Nice to meet ya, what's your name?
Let me treat ya to a drink
I like the way you talk,
I like the things you wear
I want your number tattooed on my arm in ink,
I swear
'Cause when the morning comes,
I know you won't be there
Every time I turn around, you disappear
Nice to meet ya
One minute, you're there,
The next one, you're gone
Been waiting for you all night,
So come on
You know what I need,
You know what I want
You know what I need now,
You know what I need now
Nice to meet ya, what's your name?
Let me treat ya to a drink
Nice to meet ya

Where ya been?
Let me treat ya
To a drink
Nice to meet ya
