

# Day is Done – Nick Drake

When the day is done  
Down to Earth then sinks the sun  
Along with everything that was lost and won  
When the day is done  
When the day is done  
Hope so much your race will be all run  
Then you find that you jumped the gun  
You have to go back where you began  
When the day is done  
When the night is cold  
Some get by and some get old  
Just to show, life's not made of gold  
When the night is cold  
When the bird has flown  
You got no one to call your own  
You got no place to call your home  
When the bird has flown  
When the game's been fought  
You sped the ball across the court  
Lost much sooner than you would have thought  
Now the game's been fought  
When the party's through  
Seems so very sad for you  
Didn't do the things you meant to do  
Now there's no time to start anew  
Now the party's through  
When the day is done  
Down to Earth then sinks the sun  
Along with everything that was lost and won  
When the day is done
