Edge Of A Revolution - Nickelback

Head high, protest line
"Freedom" scribbled on your sign
Headline, New York Times
Standing on the edge of a revolution

Hey, hey, just obey Your secret's safe with the NSA In God we trust or the CIA? Standing on the edge of a revolution

Yeah, we're standing on the edge of a revolution Revolution, revolution

No, we won't give up, we won't go away
'Cause we're not about to live in this mass delusion
No, we don't wanna hear another word you say
'Cause we know they're all depending on mass confusion
No, we can't turn back, we can't turn away
'Cause it's time we all relied on the last solution
No, we won't lay down and accept this fate
'Cause we're standing on the edge of a revolution

Wall Street, common thief When they get caught they all go free A brand new yacht and a finders fee Standing on the edge of a revolution

Same shit, different day
Can't keep fed if I can't get paid
We'll all be dead if the shit don't change
Standing on the edge of a revolution

Yeah, we're standing on the edge of a revolution Revolution, revolution

No, we won't give up, we won't go away

'Cause we're not about to live in this mass delusion
No, we don't wanna hear another word you say
'Cause we know they're all depending on mass confusion
No, we can't turn back, we can't turn away
'Cause it's time we all relied on the last solution
No, we won't lay down and accept this fate
'Cause we're standing on the edge of a revolution
