## How You Remind Me - Nickelback

Never made it as a wise man I couldn't cut it as a poor man stealin' Tired of livin' like a blind man I'm sick of sight without a sense of feelin' And this is how you remind me This is how You remind me of what I really am This is how You remind me of what I really am It's not like you to say sorry I was waiting on a different story This time I'm mistaken For handing you a heart worth breakin' I've been wrong, I've been down Been to the bottom of every bottle These five words in my head Scream - Are we having fun yet? Yet? Yet? Yet? No, no Yet? Yet? Yet? No, no It's not like you didn't know that I said I love you and I swear I still do And It must have been so bad Cause livin' with me must have damn near killed you And this is how You remind me of what I really am This is how You remind me of what I really am It's not like you to say sorry I was waiting on a different story This time I'm mistaken For handing you a heart worth breakin' I've been wrong, I've been down Been to the bottom of every bottle

These five words in my head

Scream - Are we having fun yet?

Yet? Yet? Yet? No, no

Never made is as a wise man

I couldn't cut it as a poor man stealing

And this is how you remind me

This is how you remind me

This is how

You remind me of what I really am

This is how

You remind me of what I really am

It's not like you to say sorry

I was waiting on a different story

This time I'm mistaken

For handing you a heart worth breakin'

And I've been wrong, I've been down

Been to the bottom of every bottle

These five words in my head

Scream - Are we having fun yet?

Yet? Yet? Are we having fun yet?

Yet? Yet? Are we having fun yet?

Yet? Yet? Are we having fun yet?

Yet? Yet?

No, no
