

Elvenpath – Nightwish

The sheltering shade of the forest
Calling come in silence
Accompanied only by the full moon
Howling of a night wolf
And the path under my bare feet
The elvenpath
Hearing music from the deepest forest
Songs as a seduction of sirens
The elf-folk is calling me
Tapio, Barking, Ruler of the forest
Mielikki, Bluecloak,
Healer of the ill and sad
Open the gate and let me
Follow the uncarven path
The way to the lands
Where as a hero I stand
The path where Beauty met the Beast
Elvenpath
It's the honesty of these worlds
Ruled by magic and mighty swords
That makes my soul long for the past
Elvenpath
The moon witch took me
To a ride on a broomstick
Introduced me to her old friend Home Gnome
Told me to keep the sauna warm for him
At the grove I met the
Rest, the folk of my fantasies
Bilbo, Sparhawk, goblins and pixies
Snowman, Willow, trolls and the seven dwarfs
The path goes forever on
The way to the lands
Where as a hero I stand
The path where Beauty met the Beast
Elvenpath
It's the honesty of these worlds

Ruled by magic and mighty swords
That makes my soul long for the past
Elvenpath
Long ago
In the early years of the second age
The great elven-smiths
Forged the Rings of Power
As I return to my room
And as sleep takes me by my hand
Madrigals from the woods
Carry me to neverland
In this spellbound night
The world's an elvish sight
In this spellbound night
The world's an elvish sight
