## Elvenpath - Nightwish

The sheltering shade of the forest Calling come in silence Accompanied only by the full moon Howling of a night wolf And the path under my bare feet The elvenpath Hearing music from the deepest forest Songs as a seduction of sirens The elf-folk is calling me Tapio, Bearking, Ruler of the forest Mielikki, Bluecloak, Healer of the ill and sad Open the gate and let me Follow the uncarven path The way to the lands Where as a hero I stand The path where Beauty met the Beast Elvenpath It's the honesty of these worlds Ruled by magic and mighty swords That makes my soul long for the past Elvenpath The moon witch took me To a ride on a broomstick Introduced me to her old friend Home Gnome Told me to keep the sauna warm for him At the grove I met the Rest, the folk of my fantasies Bilbo, Sparhawk, goblins and pixies Snowman, Willow, trolls and the seven dwarfs The path goes forever on The way to the lands Where as a hero I stand The path where Beauty met the Beast Elvenpath

It's the honesty of these worlds

Ruled by magic and mighty swords
That makes my soul long for the past
Elvenpath
Long ago
In the early years of the second age
The great elven-smiths
Forged the Rings of Power
As I return to my room
And as sleep takes me by my hand
Madrigals from the woods
Carry me to neverland
In this spellbound night
The world's an elvish sight
In this spellbound night
The world's an elvish sight
