

# Slee – Nightwish

TY: The sun is sleeping quietly  
Once upon a century  
Wistful oceans calm and red  
Ardent caresses laid to rest

JA: For my dreams I hold my life  
For wishes I behold my night  
The truth at the end of time  
Losing faith makes a crime

TY: I wish for this night-time  
To last for a lifetime

JA: The darkness around me  
Shores of a solar sea

TY: Oh how I wish to go down with the sun  
Sleeping  
Weeping  
With you

JA: Sorrow has a human heart  
From my god it will depart  
I'd sail before a thousand moons  
Never finding where to go

TY: Two hundred twenty-two days of light  
Will be desired by a night  
A moment for the poet's play  
Until there's nothing left to say

JA: I wish for this night-time  
To last for a lifetime

TY: The darkness around me  
Shores of a solar sea

JA: Oh how I wish to go down with the sun  
Sleeping  
Weeping  
With you

TY: I wish for this night-time  
To last for a lifetime

JA: The darkness around me  
Shores of a solar sea

TY: Oh how I wish to go down with the sun  
Sleeping  
Weeping  
With you
