

# Everything must change – Nina Simone

Everything must change  
Nothing stays the same (no, no)  
Everyone must change  
Nothing stays the same  
The young become the old  
Mysteries do unfold  
Cause that's the way of time  
Nothing and no one goes unchanged  
There are not many things in life  
You can be sure of  
Except rain comes from the clouds  
And sun lights up the sky  
And hummingbirds do fly  
Winter turns to spring  
A wounded heart will heal (yes it will)  
But never much too soon  
Everything must change  
The young become the old  
Mysteries do unfold  
Cause that's the way of time  
Nothing and no one goes unchanged  
There are not many things in life  
You can be sure of  
Except rain comes from the clouds  
And sun lights up the sky  
And hummingbirds do fly  
(Nothing stays the same)  
There are not many things in life  
You can be sure of  
Except rain comes from the clouds  
And sun lights up the sky  
And hummingbirds do fly
