

Warrior – Nina Sublatti

Fighter
Oximated
World's gonna get up and see
I'm a warrior
Isolated
World's gonna listen to me
Violence
Set it free
Wings are gonna spread up
I'm a warrior
Isolated
World's gonna get up and see
Woohoo
I'm a warrior
Still stuck in my mind
I've been in danger for too long
No no no
Woohoo
I'm a warrior
Still stuck in my mind
I've been in danger for too long
No
Not a shabby
Or a money maker
World's gonna light up in peace
Not in shadows
Bright a little
Not your fault you're just gonna breathe
Violence
Break me free
Wings are gonna spread up
I'm a warrior
Oximated
I'm gonna get up and be
Woohoo
I'm a warrior

Still stuck in my mind
I've been in danger for too long
No no no
Woohoo
I'm a warrior
Still stuck in my mind
I've been in danger for too long
No no no
Woohoo
I'm a warrior
Still stuck in my mind
I've been in danger for too long
No no no
Woohoo
I'm a warrior
Still stuck in my mind
I've been in danger for too long
No
No
