

Don't Kill It Carol – Nino De Angelo

Girl, you break my heart to pieces
Oh, I rather cried my tears
Red roses for a lady
Looking through my pain and fears
Yes, you don't believe in diamonds
And you don't believe in me
Love is where my heart is
And I'll never set you free
Oh, you stole a piece of my heart
Girl, give it back to me
Nothing but a heartache
And I just can see
Don't kill it, Carol
My love is just a breath away
Don't kill it, Carol
Feel it stronger every day
Don't kill it, Carol
You are the owner of my heart
Don't kill it, Carol
Oh, you tear me apart
You're a daughter of the darkness
Girl, a good love never die
It's a hot line to heaven
Oh, I hate these lipstick lies
Oh, you make my heart beat faster
Oh, I want to loose control
I memorize your number
It's a number to my soul
Oh, you stole a piece of my heart
Come, give it back to me
Nothing but a heartache
And I just can see
Don't kill it, Carol
My love is just a breath away
Don't kill it, Carol
Feel it stronger every day

Don't kill it, Carol
You are the owner of my heart
Don't kill it, Carol
Oh, you tear me apart
Don't kill it, Carol
My love is just a breath away
Don't kill it, Carol
Feel it stronger every day
Don't kill it, Carol
You are the owner of my heart
Don't kill it, Carol
Oh, you tear me apart
