

Guardian Angel – Nino De Angelo

I feel I'm falling apart 'cos I know
I've lost my guardian angel –
A fleeting glimpse of your heart
Losing right from the start –
No return
And things will never be the same!
I feel I'm falling apart 'cos I know
I've lost my guardian angel –
A fleeting glimpse of your heart
Losing right from the start –
No return
And things will never be the same!
Tried to find the words that show
I sympathise
Words of comfort, words that never criticize!
Though I know you're simply laughing at me
I just can't stop and simply let it be!
I feel I'm falling apart 'cos I know
I've lost my guardian angel –
A fleeting glimpse of your heart
Losing right from the start –
No return
And things will never be the same –
And things will never be the same!
Let me see you smile once more that
Special way
(Let me see you smile)
Warm as summer on a chilly winter's day –
Though I know you're simply laughing at me
I just can't stop and simply let it be!
I feel I'm falling apart 'cos I know
I've lost my guardian angel –
A fleeting glimpse of your heart
Losing right from the start –
No return
And things will never be the same!

And things will never be the same –
And things will never be the same!
