

Drain you – Nirvana

One baby to another says,
"I'm lucky to have met you"
I don't care what you think
Unless it is about me
It is now my duty to completely drain you
I travel through a tube
And end up in your infection
Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
I like you
With eyes so dilated, I've become your pupil
You taught me everything
Without a poison apple
The water is so yellow, I'm a healthy student
Indebted and so grateful,
Vacuum out the fluids
Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
I like you
You, you, you, you, you, you
One baby to another says,
"I'm lucky to have met you"
I don't care what you think
Unless it is about me
It is now my duty to completely drain you
I travel through a tube
And end up in your infection
Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
Sloppy lips to lips

You're my vitamins
I like you
