

# Drain you – Nirvana

One baby to another says,  
"I'm lucky to have met you"  
I don't care what you think  
Unless it is about me  
It is now my duty to completely drain you  
I travel through a tube  
And end up in your infection  
Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
I like you  
With eyes so dilated, I've become your pupil  
You taught me everything  
Without a poison apple  
The water is so yellow, I'm a healthy student  
Indebted and so grateful,  
Vacuum out the fluids  
Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
I like you  
You, you, you, you, you, you  
One baby to another says,  
"I'm lucky to have met you"  
I don't care what you think  
Unless it is about me  
It is now my duty to completely drain you  
I travel through a tube  
And end up in your infection  
Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
Sloppy lips to lips

You're my vitamins  
I like you
