## The Man who sold the world - Nirvana

We passed upon the stair We spoke of was and when Although I wasn't there He said I was his friend Which came as a surprise I spoke into his eyes I thought you died alone A long long time ago Oh no, not me We never lost control You're face to face With the man who sold the world I laughed and shook his hand And made my way back home I searched for form and land For years and years I roamed I gazed a gazeless stare We walked a million hills I must have died alone A long, long time ago Who knows? Not me I never lost control You're face to face With the man who sold the world Who knows? Not me We never lost control You're face to face With the man who sold the world
