

I will fight and win in the night – NKL10N5

This day always
Makes me hard for me,
Others, and then I do not know if
Someone likes me or not everyone intercedes
For evil, how to repay with good
I have since there is no brightness here,
The darkness is so dark that
I can not see anything
I have been fighting this fight for years
And I am trying to overcome evil
I can overcome evil because
I have my strength
I am not afraid because
I can manage
What they do here
There is wrong
And I don't know how
I have to fight because how and what do
I know if there is
A question mark everywhere
I have been fighting this fight
For years and I am trying to overcome evil
I can overcome evil because
I have my strength and
I am not afraid because
I can manage
Oh oh oh
What should i do when i'm alone
What should I do? What should I do?
I have been fighting this fight for years
And I am trying to overcome evil
I can overcome evil because
I have my strength and
I am not afraid because
I can manage
