

# School and school – NKL10N5

I sleep every day sleep sleep I don't know  
How often it happens to be alone and silent

Oooooooooo

Oooooooooo

O o o o

I like like like to sleep in this school

How often how often I ask

What what how often i like school school

Oh oh

Oh oh

Yes school

Yes school

Yes school

I like

O o o o o

O o o o oh

Sometimes I feel bad,

Sometimes I will say that

I hate her but I love her this school but

I love this school

And no one will tell me no

No no no
