

# Unicorn – Noa Kirel

Hey, you don't like the way I'm talking  
Hey, so you stand there,  
Keep on calling me names  
No, I'm not your enemy so  
If you're gonna do it, don't do it  
Hey, do you wanna check my DNA?  
Older stories, time to go away  
And believe in fairytales, oh  
If you're gonna do it  
I'm gonna stand here like a unicorn  
Out here on my own  
I got the power of a unicorn  
Don't you ever learn?  
That I won't look back, I won't look down  
I'm going up, you better turn around  
The power of a unicorn,  
The power of a unicorn  
History caught in a loop  
Don't you wanna change it?  
You know that we can, you and me  
Can write a new book  
Don't you wanna change it now?  
It's gonna be phenom-phenom-phenomenal  
Phenom-phenomenal  
Feminine-feminine-femininal  
I'm gonna stand here like a unicorn  
Out here on my own  
I got the power of a unicorn  
Don't you ever learn?  
That I won't look back, I won't look down  
I'm going up, you better turn around  
The power of a unicorn,  
The power of a unicorn  
It's gonna be phenom-phenom-phenomenal  
Phenom-phenomenal
