

# Again – Noah Cyrus Ft. XXXTENTACION

You just made the worst mistake  
And you'll regret it darling  
'Cuz once you give and then you take  
You always end up wanting

Ooooh  
Was everything not enough?  
Oooohh  
Cuz one day you'll wake up  
And then you'll say

I want to be your lover  
I don't want to be your friend  
You don't know what you've got  
Till its gone my dear  
So tell me that you love me again

I want to be your lover  
Baby I'll hold my breath  
You don't know what you've got  
Till its gone my dear  
So tell me that you love me again

Again babe, again  
Again babe, again  
You don't know what you've got  
'till its gone my dear  
So tell me that you love me again

Ooh, she's screaming in my head  
Ooh, I left her where I slept  
Somewhere where I can't escape I'm  
Running from myself  
Somewhere in between in love and  
Broken i'm in hell

Saying I want to be your lover  
I don't want to be your friend  
You don't know what you've got  
'till its gone my dear  
So tell me that you love me again

I-I want to be your lover  
You're leaving when the clock hits ten  
You don't know what you've got  
'till its gone my dear  
So tell me that you love me again

Again babe, again  
Again babe again  
You don't know what you've got  
'till its gone my dear  
So tell me that you love me again

Again babe, again  
Again babe, again  
You don't know what you've got  
'till its gone my dear  
So tell me that you love me again
