## July - Noah Cyrus

I've been holding my breath I've been counting to ten Over something you said I've been holding back tears While you're throwing back beers I'm alone in bed You know I, I'm afraid of change Guess that's why we stay the same So tell me to leave, I'll pack my bags, get on the road Find someone that loves you better than I do, darling, I know 'Cause you remind me every day, I'm not enough, But I still stay Feels like a lifetime Just tryna get by While we're dying inside I've done a lot of things wrong Loving you being one But I can't move on You know I, I'm afraid of change Guess that's why we stay the same So tell me to leave, I'll pack my bags, get on the road Find someone that loves you better than I do, Darling, I know 'Cause you remind me every day, I'm not enough, but I still stay If you want me to leave, then tell me to leave, and baby, I'll go

but i still stay
